Happy Eid!

As the month of Ramadhan comes to an end, we would like to extend a Happy Eid Mubarak to all our Muslim students and families!

Spring Lunches for Students!

Spring MunchaLunch is NOW OPEN for ordering! Please consider ordering your child a lunch EVERY THURSDAY in Term 3! This supports our PAC and our school, and it's a nice treat for you and your child!

Div 15/16 visit the Fire Hall

Division 15 and 16 walked over to the Cambie Firehall to have a tour. They learned a few fun facts:

- The Cambie Fire Hall is the only fire hall in Richmond with an ambulance station next to it.
- All the fire trucks in Richmond have a GPS and their live location is shown on the computer.
- The water from the fire hydrants is connected to the fire truck and redistributes the water through the multiple hose outlets.

Div 5 Makes Paper!

Ms. Baxmann, the Teacher Candidate in division 5, and students created paper using recycled materials! They've been learning about forestry, natural resources, and sustainability. The students brought in paper that they were going to throw out and did three trials with different types: newspaper, printer paper, brown packing paper, magazine paper, and toilet paper (that paper was new!) They soaked it in warm water, blended it, created a slurry by adding it back into the water, and used mesh hoops to strain out the pulp.

PAC Movie Night May 12 - 6pm!

TOMSETT PAC
