Kindness @ Tomsett

Every February at Tomsett is our Kindness month.

Starting next week, we hope students will continue to spread kindness in and out of the classroom.

Kindness Ambassadors will be keeping a watchful eye and giving out kindness stickers. We want to collectively fill our heart with all the kindness stickers we can get!

**PINK SHIRT DAY

Preparedness Drills

Every once in a while, we practice our evacuation drills, earthquake drills, and lock down drills so students know what to do when events do occur.

During our recent practice, students and staff were very diligent and followed all procedure confidently and swiftly.
