Hello families,

Welcome back! If you are new, we welcome you to this lovely community. We have 21 divisions with 489 students and a wonderful staff to support your children.

Students moved into their new classes this morning and have started getting to know each other and building their learning community for the year. We know this transition can take time at first for some students. Please consider the following information to support your child to start the year in a good way.

Background Information:

- The process of creating classes for this school year begins in May of the previous school year.
- Teachers and Administrators think deeply about how students will work well with others, the strengths and stretches of each child, and how they will best meet their social, emotional, and academic needs within a diverse group of students.

If your child is concerned about their placement:

1. Consider doing nothing - when a parent/guardian has an open mind, this helps ease the anxiety of the child.
2. Give it some time. Almost always, once students have time to bond with their teacher and classmates, concerns are resolved.
3. Talk to your child's new teacher. They can give you an accurate picture of how your child is adjusting in the classroom. Working together with your child's teacher will help optimize your child's learning experience, and build connections and trust.

Kindergarten Gradual Entry

- Continue with Gradual Entry until Wednesday September 10th (first full day on Thursday)
- 15-minute Welcoming Conversations to occur this week with your child's K teacher (they will reach out to schedule)

Parking Lot Safety Reminders

Drop-off and pick-up times can get hectic! Let's work together to keep our parking lot safe for everyone. Please remember these important points:

- Drive slowly and cautiously: be alert and watch for pedestrians.
- There is no parking in the parking lot. The drop off area is for a quick drop off. Please do not park there for extended periods of time and do not leave your vehicle unattended. This can block traffic flow and create hazards.
- Ms. Wallace and Mrs. Anderson do their best to be out there each morning and after school to support the flow of traffic and facilitate safe and quick drop offs and pick ups.
- Please consider **WALKING** to school!

Significant Dates in Our Community

September 4-5: Mawlid-al-Nabi

To our Muslim community members observing Mawlid al-Nabi, we extend warm greetings as you mark the birth of the Prophet Muhammad (peace be upon him). May this day bring peace, reflection, and blessings to you and your families.

September 7-13: Mennonite Heritage Week

September 8: International Literacy Day

Reminder-Nut Aware School

This is a friendly reminder that our school is a nut aware space. We have many students with life-threatening allergies. Please be mindful when packing lunches and avoid snacks or food that includes nuts such as peanut butter and Nutella.

Thank you for helping do your part to keep our community healthy and safe.

PAC Corner

The Tomsett PAC plays an important role in our school community. We encourage you to come to attend the first PAC meeting. It will be held on Zoom on **Wednesday, September 17th @ 6:30pm.**

District Updates

Tomsett families received an email earlier this week, sharing information about the District's process to engage in a Catchment Review for the new elementary school located at 8671 Odlin Crescent opening in September 2026.

To learn more about the proposed new city centre school catchment and to share your feedback, please visit the district's website and complete the survey at:
<https://sd38.bc.ca/city-centre-catchment-review>.

All feedback received by October 27 will be reviewed and considered as part of the public consultation process.

Thank you for taking the time to be part of this important conversation.
