Pro-D Day
(no school for students)

Hello families,

Here are a few reminders for next week:

- We have conferences next week and **early dismissal on Wednesday and Thursday at 1:45pm.** You should have received communication from your child's teacher about scheduling a conference. This is an important opportunity to meet with your child's teacher(s), share their strengths, and receive an update in literacy, numeracy, and social emotional learning.
- **Friday, Oct. 24th is a Pro-D Day** and there is no school for students.
- There will be Hearing Screening for our Kindergarten students on **Thursday at 9am**. Kindergarten families should have received email communication about this.

Exciting news, building will start for our new playground on Monday! The completion should take about two weeks. There may be some disruption to the parking lot with trucks coming and going, but they will do their best to avoid high traffic times.

Have a wonderful weekend!

Kind regards,

Ms. Wallace and Mrs. Anderson

Reminder

Please remember to check in at the office if you are dropping off your child late or picking them up early.

If you are volunteering in our school, first and foremost...THANK YOU! Second, please make sure to sign-in at the office and get a visitor badge.

District Updates

City Centre Catchment Review-Public Engagement Now Underway

The Richmond School District is excited to be opening a new elementary school at 8671 Odlin Crescent in September 2026. This new school represents an important investment in our growing city centre community and reflects the district’s long-term commitment to neighbourhood-based schools. It will provide students and families with enhanced opportunities for learning close to home while supporting enrolment growth in one of Richmond’s fastest-growing areas.

To prepare for the school’s opening, the district is reviewing nearby school catchments. This review will help determine the catchment area for the new school and determine the adjustments that are needed to neighbouring catchments in order to balance enrolment now and into the future.

Public consultation is now underway and includes an online survey and a series of open houses to gather feedback on two proposed scenarios for the new catchment area. Feedback gathered through this process will help inform the board’s final decision, expected in November 2025.

Participation Opportunities:

- Complete the online survey by October 27, 2025:
 - [English Survey](#). | [Chinese Survey](#).
- Attend an open house – see details beside

More information can be found on the Ditrict Website [HERE](#)
