Student Affordability Fund

As shared this past fall, the Student and Family Affordability Fund is designed to assist families who require financial assistance with school-related costs in the following areas:

- school and course fees
- school supplies and course materials
- field trips
- school-related extracurricular opportunities
- clothing and footwear required for sports and school activities

The additional funding is also used to support school meal programs and other nutritional supports for students.

Please reach out to Mike Murray, Tomsett Principal, if you are in need of assistance. As always, all requests will be treated with dignity and your privacy will be respected. We want to work with our families to ensure that our students, your children, have everything they need in order to be successful at school. Please do not hesitate to reach out if we can help.
