Sand and the French Circus!

Students in divisions 1, 2, 3, 4, and 5 have been working on their French language skills as part of the Core French curriculum. We were lucky to have Sand come to our school as part of the French Circus to teach us juggling skills with a growth mindset **en Français!** **Merci beaucoup, Sand! À Bientôt!**

Beach Day 2023!

Our entire school visited Centennial Beach in Delta on June 16, and had a wonderful time exploring the beach and tidal flats. We discovered many living things in the tide pools and on the beach, including eagles, crabs, clams, and fish. In the yellow pail, can you spot the hermit crab, sculpin (long, thin fish), and sole (flat fish)?

Join the ParticipACTION Community Challenge June 1 – 30 Together we move!

The ParticipACTION Community Challenge is a fun, free, nationwide initiative that rallies communities to get active. Open to individuals, groups, schools, and businesses, participants can easily track their activities in the month of June through the ParticipACTION mobile app or website. Whether you like to walk, dance, cycle, lift weights, or spend time in the garden, every minute counts!

Registration is easy. Simply download the ParticipACTION app through the Apple or Google Play Store and sign-up for the Community Challenge using your Richmond postal code. Each time you track your activity minutes, you not only improve your health and wellness, you contribute to the health of your community and bring Richmond even closer to being crowned Canada's Most Active Community.
