Events Happening last week

Terry Fox Run

Energy was high and all Tomsett students participated in the run!

Thanks to Mrs. Quinn for all the preparation work.

As a school, we have raised more than \$1100 to the Terry Fox Foundation.

BOOK FAIR!

We had a very successful book fair! Students had the opportunity to browse and explore new books and genres.

The sales of the book fair was able to help the school generate \$2700 Scholastic dollars to get books to add to our library. Woohoo!

Thank you Tomsett community! Let's continue to encourage our kids to read!
