Our FIRST Spirit Day!

Spirit Days are when the school invites all students to dress in a specific theme to display school unity and spirit.

This time on October 4, it is WACKY HAIR and HAT day! This fun spirit day is all about getting creative, being silly, and showing off your wild side with the most wacky hairstyles or hats.

World Teachers' Day!!

October 5th is World Teachers' Day. Tell your teacher(s) how AWESOME they are!!!

YOU ARE awesome

Events Happening last week

Truth and Reconciliation Week

As we embark on a reconciliation journey of justice, equity, anti-racism, diversity, and inclusion. Student gathered in the library to learn about the true meaning of reconciliation. As a community we raised the orange flag in the library.

As students spend time together, conversing and reflecting on reconciliation, they were invited to weave orange hearts. The process of weaving signifies generations, while weaving natural materials through the hearts represents the significance of our land.

HIP-HOP EN FRANÇAIS

Intermediate students from Division 1 to 7 had an opportunity last week to break the floor with some hip hop moves. Not just that, they learned it in French with French hip-hop music!

Tomsett students got talent!
