Teachers have sent out all the conference invites/notices. Please find the notice or link and sign up for a time to chat with your child's teacher.

If you require a translator, let your child's teacher know asap or bring your own!

Cross Country District Fun Run

The Cross Country District Fun Run is on Oct 17th at Garry Point.

If your child is participating, permission form needs to be submitted to Mrs. Lang by the end of this week.

Events Happening last week

Roasting Sunflower seeds

Division 8 is apart of the Harvest Bin project responsible for five of the blue garden beds. In the spring, they planted 3 sunflowers, which they just harvested. The whole class worked hard picking out all the seeds.

The students soaked the seeds in a brine for a whole night and roasted it the next day. It was delicious and brought back many memories for some that used to make this in their home country.

WACKY HAIR & HAT DAY

Some of our wackiest hair and hat of the day!!!
