SALSA IN DIV 11

Yula Vostretsova, choreographer and teacher from dance group, Elegancia Cubana, visited Division 11 for Latin American Heritage month. As a way to learn about culture and to celebrate the Latin American community in BC, Div 11 learned some salsa steps and conversational Spanish phrases.

Gracias Yula!

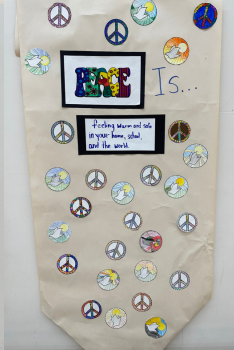

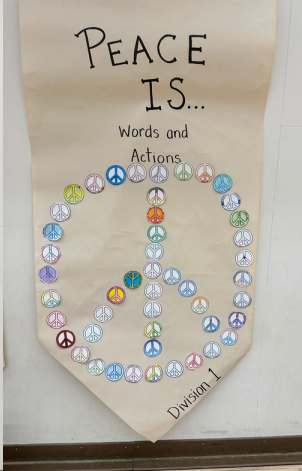

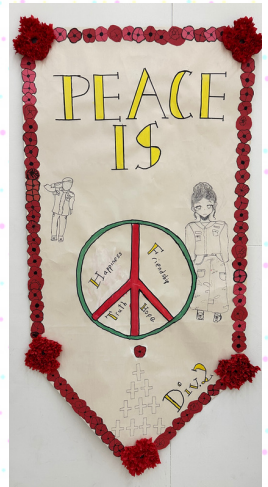

Remembrance Assembly

Last Friday, we had a beautiful Remembrance Assembly. Many divisions have been studying about the meaning, stories and histories behind Remembrance Day.

The assembly was filled with beautiful voices that spread love, peace, and hope.
