- Volleyball games afterschool VS Talmey
- Diwali
- PAC Meeting on Zoom (Nov 15)

Kindergarten Hearing Screening

Every year, Vancouver Coastal Health will visit our school for hearing screening and immunization.

This Thursday, nurses from VCH will come to Tomsett to screen our kindergartens' hearing.

Remembrance Assembly

On November 10, we will gather together to have a Remembrance Assembly to honour our veterans.

Assembly will start at 10:45am.

Parents are welcome to attend, there will be limited seating.

Donation envelope for the veterans will be handed out this week.

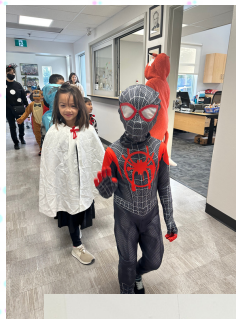

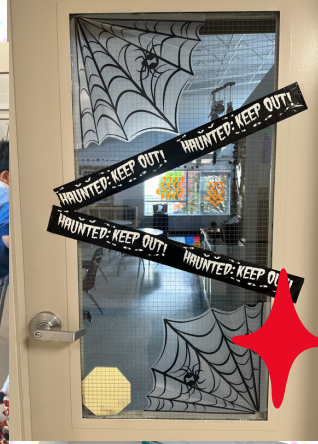

Events Happening last week

HALLOWEEN FUN

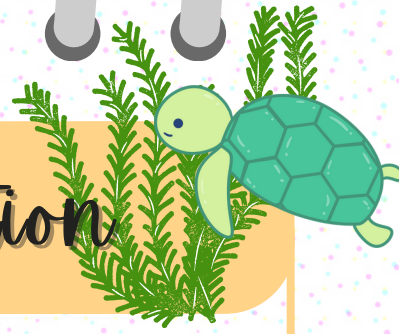

On Halloween day, students arrived at school with their creative costumes.

The early primary classes had a Halloween parade and marched around the school showing their costumes. Some classes got together to carve pumpkins.

In the gym, students played Halloween themed games like Zombie Tag, Star Wars, and Lights Outs.

Ocean Wise Mobile Education

Last Wednesday, Ocean Wise mobile education visited Tomsett with real marine artifacts and hands-on interactive activities designed to encourage passion and care of our oceans and waterways. The program hopes to create a lasting connection to our oceans and aquatic habitats by encouraging direct conservation action.

Students got to touch a rib bone of a humpback whale, the tusk of a narwhal, the skull of a polar bear, a sea turtle shell, the baleen of a whale, a whale tooth, and more!
