Recommended for Parents/Caregivers/Grandparents and youth aged 10 and up as a way to facilitate the conversation of safe and caring use of technology at home and in the community. (60 minute session)

This session covers all things digital, from how to be a good digital citizen, the criminal consequences of cyberbullying, and how to report and receive support in cases of sexting/sexortion.

Some of the most prominent concerns currently surrounding use of social media platforms, smartphones, and artificial intelligence will be discussed.

Families will learn:

- Digital media habits, oversharing, and digital addiction
- The permanence of online posts/activity
- The significance of your digital tattoo in how others perceive you (e.g., sports teams, college admissions, and potential employers)
- The importance of caring for peers both online and offline
- Geo-locational settings and the dangers of social media and cell phone misuse
- The social and legal consequences of cyberbullying behaviour as well as possession and distribution of intimate images (sexting and sextortion)
- An anonymous student reporting tool that can help you and your friends stay safe both online and offline

Straight back to reading

Ms. Parvez works really hard to keep the library up-to-date with new books. The library recent hosted another Bookshelf Bistro to let the student taste new books in the library.

Straight back to learning

Learning never stops at Tomsett!

Students are back to their provocation and inquiry questions without a beat. Never stop questioning. Always have a curious mind.
