## Early Primary Parent Math Night

NOV 27

Tomsett is hosting a Kindergarten and Grade 1 math night.

We have invited Janice Novakowski, Richmond School District Teacher Consultant (K-12 Mathematics & Numeracy) to learn more about the BC Mathematics Curriculum and the SD38 Numeracy Foundations Framework. We will also discuss ways to support your children's math learning at home, as part of daily life including outdoors. There will be math games and math materials to play with together as families.
