Hello families,

It was wonderful to meet many of you this week, both virtually on our first PAC meeting of the year and in person at our “Meet My School” event on Thursday.

Please note that Monday, September 22nd is our first Pro-D Day of the year. The staff will be spending the day learning, but there is **no school for students on this day**.

We have exciting news to share that our new Modular building has passed the inspection for occupancy and classes will be able to move in on Tuesday! We ask that the moving classrooms (Div. 3, 5, 6, 8, 10, 13, 15) please start their day in their usual rooms and students will move with their teachers during the day. We will send communication home on Tuesday to families of where to pick up students.

When students return on Tuesday, it will be **Photo Day**. These will be individual photos. Class photos are scheduled for later in the year.

Student verification forms and packages went home last week. Please complete the forms and return to your child’s teacher as soon as possible.

Shanah Tovah! To our Jewish students, staff, and families, we wish you a sweet and meaningful Rosh Hashanah as you welcome the Jewish New Year 5786. May this time of renewal be filled with hope, joy, and connection.

As always, do not hesitate to reach out with any questions. Have a lovely weekend.

Warm regards,
Ms. Wallace and Mrs. Anderson

Litter-less Snacks and Lunches

We encourage families to pack snacks and lunches in reusable containers whenever possible. Choosing litter-less options helps reduce waste, keeps our school grounds clean, and supports our commitment to caring for the environment. Thank you for helping our students learn the value of sustainability in everyday choices!

RICHMOND SCHOOL DISTRICT NO.38

District Updates

City Centre Catchment Review-Public Engagement Now Underway

The Richmond School District is excited to be opening a new elementary school at 8671 Odlin Crescent in September 2026. This new school represents an important investment in our growing city centre community and reflects the district's long-term commitment to neighbourhood-based schools. It will provide students and families with enhanced opportunities for learning close to home while supporting enrolment growth in one of Richmond's fastest-growing areas.

To prepare for the school's opening, the district is reviewing nearby school catchments. This review will help determine the catchment area for the new school and determine the adjustments that are needed to neighbouring catchments in order to balance enrolment now and into the future.

Public consultation is now underway and includes an online survey and a series of open houses to gather feedback on two proposed scenarios for the new catchment area. Feedback gathered through this process will help inform the board's final decision, expected in November 2025.

Participation Opportunities:

- Complete the online survey by October 27, 2025:
 - [English Survey](#) | [Chinese Survey](#)
- Attend an open house - see details beside

More information can be found on the District Website [HERE](#)
