## **Class Placement Considerations**

### **Dear Parents and Guardians,**

Please see the link below, which allows you to provide input regarding class placements for the 2026-2027 school year.

We encourage you to share any information that may help us make thoughtful placement decisions, including details your child's current classroom teacher may not be aware of. This input should focus on your child's needs as a learner.

Please note that we are unable to accept requests for specific teachers or for placement with friends.

Thank you for your support.
